# PROGRAM MONTHLY FORMS

## ABOUT THE MONTHLY FORMS

All 3 programs (*Efficiency, Visitation, and Chapter Merit*) have been combined into monthly forms. Each month you will complete the entire form. The forms are categorized into the 3 programs and you will total points by individual part. The forms can then be submitted in a 3 different ways; email, snail mail, or via the easy to use form on the Michigan DeMolay website!

## SUBMISSION IS QUICK AND SIMPLE!

- Due dates for submission will be listed on each monthly form. Failure to submit your forms on time will result in a deduction of points FOR THAT MONTH ONLY! You will still earn points. **BETTER LATE THAN NEVER!**
- A running tally of Chapter progress for each program will be updated monthly on the Michigan DeMolay website. This will allow you to gauge your chapters progress. In addition, you will be able to view other chapters and their submissions to see how they are earning points. *Monthly winners will also be announced via the Michigan DeMolay facebook page and by email announcement.*
- If you feel there has been an error (or you neglected to add something to your forms) please contact 'Dad' Joe Cichon (contact information below) AS SOON AS POSSIBLE!
- This program is done by and large on the honor system. In the unfortunate event that we find out a chapter has cheated, all points up to that date **WILL BE FORFEIT!** Cheating is unacceptable and contrary to the spirit of the program. Be sure that you fill your forms out as accurately as possible to prevent any potential misconceptions or miscommunications.
- If a particular event from any of the programs is switched to a different month, an edited supplementary form will be announced and made for download on the Michigan DeMolay website.
- Should you lose your program binder, a replacement program is available on the Michigan DeMolay website that you can download, print, and bind yourself! Michigan DeMolay will supply each chapter with ONE BINDER PER YEAR!
- We expect these forms to be filled out every month by every chapter! These programs are important to growth within our organization. It will allow us to mark progress, identify success factors, and fill in communication gaps! **THANK YOU FOR COMPLYING!**
